SEC. 18. That all affidavits required to be made under this act, or the act to which it is amendatory, may be verified before any officer authorized to administer oaths within the land district where the claims may be situated, and all testimony and proofs may be taken before any such officer, and, when duly certified by the officer taking the same, shall have the saine force and effect as if taken before the Register of the Land Office. In cases of contest as to the mineral or agricultural character of isnd, the testimony and proofs may be taken as herein provided, on personal notice of at least ten days to the opposing party; or if said party cannot be found, then by publication of at least once a week for thirty days in a newspaper, to be designated by the Register of the Land Office as published nearest the location of such land; and the Register shall require proof that such notice has been given.

Sec. 14. That where two or more veins inter.

published nearest the location of such land; and the Register shall require proof that such notice has been given.

Sec. 14. That where two or more veins intersect or cross each other, priority of title shall govern, and such prior location shall be entitled to all ore or mineral contained within the space of intersection. Provided, however, That the subsequent location shall have the right of way through said space of intersection for the purposess of the convenient working of the said mine: And provided size. That where two or more veins unite, the oldest or prior location shall take the vein below the point of union, including all the space of intersection.

Sec. 15. That where non-mineral land not continuous to the vein or lode is used or occupied by the proprietor of such vein or lode for mining or milling purposes, such non-adjacent surface ground may be embraced and included in an application for a patent for such vein or lode, and the same may be patented therewith, subject to the same preliminary requirements as to survey and notice as are applicable under this act to veins or lodes: Provided, That no location hereafter made of such non-adjacent land shall exceed five acres, and payment for the same must be made at the same rate as fixed by this act for the superficies of the lode. The owner of a quartz mill or reduction works, not owning a mine in connection therewith, may also receive a patent for his mill-site, as provided in this section.

Sec. 16. That all acts and parts of acts inconsistent herewith are hereby repealed: Provided. That nothing contained in this act shall be construed to impair, in any way, rights or interests in mining property acquired under existing laws. Approved May 16, 1872.
